Brian has let me know that he's going to be out all morning at the Corps for a meeting. He would like to be a part of this call, but his only other available time today is 4-5pm EST. Is there any chance of that being a possibility? Otherwise, we can have preliminary discussion this morning and then you and Michael can talk with him in more detail next week.

Sorry for the short notice,
Chris

I would appreciate it if everyone would accept the 2pm Eastern Time, 11am Pacific Time and 10am Alaska Time invitation on Wednesday. I should be somewhere in your email. That is within the time originally offered by Chris. If you are all still available it would work much better for me. I have annual leave and a dentist appointment on Thursday.
